

Antique Oak Cabinet, Profusely Carved, C17th & Later

DESCRIPTION

Our Stock # R0741 This is a magnificently carved antique two door cabinet, elements dating to the 17th century later constructed into a cabinet in the 19th century.

- Profuse deep relief carving with great interest throughout
- Solid two plank top displaying medullary rays with bull nose edge finish
- Reciprocating floral and foliate carving to oblique upper frieze
- A pair of panel doors worked with birds, urns and foliage
- Doors dressed with later lion mask, ring handles
- Inside left door carved to depict a Bishop holding the Devil's tongue
- Inside right door carved to depict an angel administering a lady
- Inside cupboard space divided in two by single shelf
- Chamfered plinth with geometric carved interest
- Raised on ball feet

A fascinating construction with huge interest, solid joints and construction, delivered waxed, polished and ready for the home.
