

## Antique Library Telescope, Terrestrial, Astronomical, Scottish E. Lennie, c.1880

**DESCRIPTION**

Our Stock # 18.5054

This is an antique library telescope for terrestrial or astronomical use. A Scottish piece from the renowned firm, E. Lennie and dating to circa 1880.

- Larger than most presenting a clear, sharp optical performance
- Parallel, brass, primary barrel in good order, 101.5cm, 40", fully extended
- 7cm, 2.75", achromatic doublet objective lens
- Rack and pinion, fine focusing wheel
- A pair of eye tubes offering different magnifications and a single tinted filter
- Engraved 'E. Lennie, Edinburgh' to the collar
- Standing upon a robust, table top, tripod of cabriole legs and spade feet
- The fitted pitch pine case in good antique order
- Original retailers card to the inside of the lid

A super example of a Victorian library telescope that still offers a clear and sharp view.
