

Oriental Four Panel Folding Screen, Double Sided Room Divider, Partition, C20th

**DESCRIPTION**

Our Stock # 10.1810

This is an oriental, four panel, folding screen, a double sided room divider or partition dating to the late 20th century.

- Astonishing detail to the profusely decorated screen
- A scene of a bridge over a river featuring boats, marketplaces and buildings
- Immense interest in every square inch of the panel
- Contrasting, calm bamboo decoration to the rear
- Raised finish on ebonised background
- Bordered with classic geometric trace
- Standing upon block feet
- Of quality craftsmanship with exceptional decoration

A super panel ideal as a partition or photographers prop. Solid joints and construction, delivered ready for the home.
