

Antique Library Book Trough, English, Victorian, Regency Revival Bookshelf c1880

DESCRIPTION

Our Stock # 18.5427

This is an antique library book trough, an English, Victorian, Regency revival mahogany bookshelf dating to the late 19th century, circa 1880.

- Attractive library book trough in the Regency revival taste
- Crafted in select mahogany with good, consistent colour
- Grain interest throughout with a desirable aged patina
- The well figured top shelf raised on turned rear spindles and swept stiles
- A broad centre book compartment flanked by pairs of narrower troughs
- The divider's gently curved at the fore for ease of book access
- Generously deep to accommodate 9 inch deep books
- Raised on turned and tapered legs united by an 'X' stretcher
- Terminating in oblique pad feet all round
- Of quality craftsmanship
