

## Pair of Antique Chinese Elbow Chairs, Oriental, Carver, Armchair, Circa 1890

**DESCRIPTION**

Our Stock # 11.3415

This is a pair of antique Chinese elbow chairs, Asian, oriental horseshoe carver armchairs dating to the late 19th century, circa 1890.

- A most pleasing pair of late 19th century Chinese armchairs
- Presented in good antique condition
- In attractive Chinese elm showing respectful wear to the aged finish and good colour
- With classic horseshoe, yoke arm configuration
- Delightfully dressed with original dark stained finish
- Generous in size offering a laid back seating style
- Rising from a well structured base
- Twin through-arm supports at the sides
- Fine raked & curved back splat
- Desirable detailing in the form of pierced cartouche at the rear
- Serpentine sweep to the upper and lower front rails
