

Antique Fireside Pole Screen, English, Height Adjustable, Aesthetic, Victorian

DESCRIPTION

Our Stock # 24681

This is an antique fireside pole screen. An English, ebonised mahogany and papier-mâché height adjustable heat reflector, dating to the Aesthetic period, circa 1880.

- Charmingly decorative screen, with a delightfully dark appearance
- Displays a desirable aged patina, in good original order
- Ebonised frame presents lustrous black tonality throughout
- Papier-mâché screen adjusts in height through 83cm (32.75")
- Redolent of Georgian art, the screen hosts a pleasing landscape with country home
- Riser released by a fascinating pincer clasp for ease of adjustment
- Turned collar to the lower support, above the tripartite plinth base
- Dressed with foliate ormolu mounts and standing upon bun feet

This is an attractive antique fireside pole screen, with a pleasingly tasteful finish. Delivered ready for the home.
