

## Large Antique Marly Horse Figure, French, Equine Statue, Bronze, Victorian, 1880

### DESCRIPTION

Our Stock # 24737

This is a large antique Marly horse figure. A French, bronze and brass equine statue in the manner of Guillaume Coustou (1677-1746), dating to the late Victorian period, circa 1880.

- Excellent representation of the famous Marly horse - on display in the Louvre
- Displaying a desirable aged patina and in good order throughout
- Appreciably heavy bronze and brass present fine golden tonality
- Substantial weight in the hand at 13.36kg (29.45 lb)
- Magnificent horse rearing up, as its groom struggles to contain its inherent power
- The majesty of the horse resplendent with a sense of dynamism
- Defined, muscular haunches beneath detailed horse tack
- Further embellished with flowing manes and swishing tails
