

Tall Contemporary Ink Painting Scroll, Chinese, Silk Cotton, Ceramic, Wall Art

DESCRIPTION

Our Stock # 24618

This is a tall contemporary scroll ink painting. A Chinese, silk cotton and ceramic rolling wall panel, dating to the late 20th century, circa 2000.

- Striking contemporary Chinese art on a delightful hanging scroll

- Of tall proportion, displayed at a length of 5' 6"

- Presents a desirable aged patina throughout

- Textile mounted upon a charming blue and white ceramic with foliate motif

- Panel set upon a silk cotton foliate pattern scroll, in a tasteful cream hue

- Traditional Chinese ink painting of a riverside scene, with houses, boats and flying birds

- Brooding colour palette, with deep pink and vibrant orange over cool, grey-blue hues

- The whole rolling away neatly, and is dressed with a cotton loop for wall hanging
