

Vintage Map Measure, German, Compass, Magnifier, Navigational Tool, Mid Century

DESCRIPTION

Our Stock # 24856

This is a vintage 3-in-1 map measure. A West German, cast metal and glass navigational tool, dating to the mid 20th century, circa 1960.

- <li class="p1">Charming pocket tool for the amateur navigator, with useful map aids
- <li class="p1">Displays a desirable aged patina and in good order
- <li class="p1">Crafted from white metal and glass, with a tactile feel in the hand
- <li class="p1">Supplied with the original case and small instruction sheet

<li class="p1">Main dial presents an Inch to Mile and CM to Kilometre scale for measuring maps

<li class="p1">The needle turned by the small trundle wheel at the bottom of the tool

<li class="p1">Useful compass to the rear with Cardinal and Ordinal points in segments of 30 degrees

<li class="p1">Magnifying glass adds functionality for reading map detail

This is a fascinating vintage 3-in-1 map measure, with a charmingly tactile finish and useful for the pocket or car glove box. Delivered ready to assist or display.
