

Antique Box Field Camera and Tripod, English, Accessories, Ornamental, Victorian

DESCRIPTION

Our Stock # 24838

This is an antique Field Camera and tripod. An English, mahogany and brass plate camera with accessories and lens, dating to the late Victorian period, circa 1890.

- <li class="p1">Delightful and rare camera set, with superb display appeal
- <li class="p1">Displays a desirable aged patina original condition - some light leak to bellows
- <li class="p1">Select stocks present deep caramel hues, accompanied by warm brass tones
- <li class="p1">Articulated tripod can be set to various heights, with three stages of extension to the legs
- <li class="p1">At its most compact with a folded height of 43cm (17"), extending to a 96cm (37.75") maximum

- <li class="p1">Camera opens out from a usefully compact folded form, staying open with twist catches
- <li class="p1">Replete with a quality screw-in lens, with bright objective in good condition
- <li class="p1">Set of Eight slide plates add further period interest, as does the brass

Watkins Exposure Meter
 as such, but in the manner of the London Fine Antiques patent camera
