

7' Wide Antique Country House Sofa, English, Walnut, Button Back Settee, Regency

DESCRIPTION

Our Stock # 25205

This is a large antique country house sofa. An English, walnut and velvet button back settee, dating to the Regency period, circa 1820.

- <li class="p1">Stunning, grand Regency statement piece with luxuriant proportion
- <li class="p1">Displays a country house chic appearance, commensurate with gentle use
- <li class="p1">Walnut show frame a treat of rich caramel hues and relief carved motif
- <li class="p1">Ivy green, soft velvet upholstery lightly time worn, but delightfully endearing

- <li class="p1">Serpentine crest rail rolls across the diamond pleated and buttoned back rest

- <li class="p1">Enclosing the seat with shaped wings above broad, rolled arms

- <li class="p1">Inviting seat width, with generous accommodation for three at 6' between the arms

- <li class="p1">Traditionally stuffed and sprung cushion for superb comfort, with a seat height of 43.5cm (17.25")

- <li class="p1">Carved supports to each arm host ornate relief feather scrolls and foliate motif
