

Antique Decorative Planter Dish, Japanese, Brass, Copper, Jardiniere, Victorian

DESCRIPTION

Our Stock # 25152

This is a superb late Victorian antique jardiniere, presenting exquisite Japanese craftsmanship in brass and copper, circa 1900. This ornate planter dish delights with its boat-form design and intricate naturalistic detailing, perfect for refined interior or garden display.

- <li class="p1">Graceful boat-shaped planter, ideal for decorative planting or display
- <li class="p1">Displays beautifully with timeless Japanese artistry and Victorian charm
- <li class="p1">Rich brass and copper finish, showcasing an eye-catching metallic finish
- <li class="p1">Twisted vine and branch motif, exquisitely cast for a lifelike effect

- <li class="p1">Charming small bird figure, delicately perched for added elegance
- <li class="p1">Delightful copper relief bee motif symbolising pollination
- <li class="p1">Removable liner tray, offering practicality and ease of planting
- <li class="p1">Fascinating decorative legs with acorn and oak leaf detail

This is a distinctive antique jardiniere, perfect for collectors of fine Japanese brass, enthusiasts of ornamental planters, or those seeking a unique decorative accent.
