**DESCRIPTION**

Our Stock # 25197

This is a charming antique Georgian period bronze planter, presenting fine Oriental craftsmanship, circa 1800. This delightfully diminutive desk pot features a refined foliate motif, warm golden-brown patina, and timeless decorative appeal.

- Elegant Chinese bronze planter, perfect for desk, mantle, or display
- Demi-lune foliate pattern, adding a touch of refined artistry
- Superb naturally aged patina, displaying light golden brown tones
- Compact and versatile size, ideal for succulents, pens, or trinkets
- Displays beautifully with Oriental charm and antique distinction

This is a superb antique planter pot, perfect for collectors of Chinese bronzes, enthusiasts of Georgian decorative arts, or those seeking an elegant, heritage-inspired accent.
