

Heavy Antique Footman, English Brass, Inglenook Fireplace Warmer, Steps, Regency

DESCRIPTION

Our Stock # 25242

This is a distinguished antique Regency period footman, showcasing superb craftsmanship and timeless elegance, circa 1820. This substantial inglenook fireplace warmer boasts graceful form and striking, golden brass tones.

- Classic antique footman, ideal for inglenook fireplaces or country kitchen settings
- Elegant cabriole front legs, paired with sturdy cylindrical rear feet for stability
 - Striking golden brass hues, with minimal patination for an authentic aged appearance
- Four short finials, adorning the warming plate for decorative appeal
- Side carry handles, allowing for ease of movement and practical use
- Superb weight in the hand, reassuringly heavy at 26.1kg (57.5 lb)

This is a charming antique fireplace accessory, perfect for period interiors, traditional homes, or collectors of Regency brassware. Solid joints and construction, delivered ready for the home.
