

## Pair of Antique Collector's Chests, English, Specimen Cases, Victorian, C.1870

### DESCRIPTION

Our Stock # 25328

This is a fine pair of antique collector's chests. An English, mahogany and cedar two-drawer specimen cases, dating to the Victorian period, circa 1870. A superb find for the discerning collector or enthusiast of natural history and curios.

- Appealing Victorian collector's chests, ideal for storing specimens or artefacts
- Select stocks display fine grain interest and warm caramel hues
- Each case features a pair of frieze form drawer fronts, giving a refined appearance
- Finished with brass-lined lock escutcheons – keys absent
  
- Internally, the drawers are crafted from quality cedar, offering a clean, dry storage environment
- A tactile and attractive addition to a library, study, or collector's room
- Would also present as a fine pair of desktop storage chests

These antique specimen chests offer excellent form and function, perfectly suited to collectors of fine objects, minerals, coins, or entomological finds. A timeless pair with enduring charm and utility. Solid joints and construction, delivered ready for the home.
