

## Tall Antique Fireside Companion, English, Wrought Iron, Fire Tool Set, Edwardian

### DESCRIPTION

Our Stock # 25316

This is a tall antique fireside companion. An English, wrought iron set of fire tools presented upon an ornate stand, dating to the Edwardian period, circa 1910. Neatly arranged and expertly crafted, this fireside set offers enduring utility and classic visual appeal for the traditional hearth.

<li class="p1">Appealing wrought iron craftsmanship, presenting a deep black finish throughout

<li class="p1">Features a coal shovel, angled poker, and hearth brush — ideal for fireside maintenance

<li class="p1">The stand accentuated with a charming swirled bulb finial, adding a decorative flourish

<li class="p1">Scrollwork toes provide elegant support and excellent stability

<li class="p1">Tools hang neatly from integrated hooks for an orderly, contained presentation

<li class="p1">Presented in good antique order with a consistent finish throughout

<li class="p1">A fine example of Edwardian utility and design, ideal for a country cottage or period townhouse
