

Antique Coal Purdonium, English, Walnut, Brass, Fireside Fuel Keep, Victorian

DESCRIPTION

Our Stock # 25364

This is an antique coal purdonium. An English, walnut and brass fireside fuel keep, dating to the Victorian period, circa 1870. A fine example of traditional craftsmanship, this handsome piece presents excellent grain interest and enduring functionality by the hearth.

<li class="p1">Traditional Victorian purdonium form, exuding warmth and period elegance

<li class="p1">Crafted from quality walnut, displaying fine grain interest and rich caramel hues

<li class="p1">Tactile brass carry handle, turned and shaped with charming detail

<li class="p1">Small brass pull to the lid, opening smoothly to reveal the internal coal liner

<li class="p1">Removable liner tray for convenient use and maintenance

<li class="p1">Supplied with a lightly timeworn coal scoop, featuring a turned beech handle

<li class="p1">Standing sturdily with a subtly tapered silhouette and rich colouration

<li class="p1">A fine example of Victorian domestic utility, ideal for traditional fireplaces or period décor

+44 (0) 207 1833 511

This antique coal purdonium offers a tasteful way to manage the daily task of adding charming Victorian character to the fireside. A delightful addition to any collector or herita ...
