

Antique Boot Jack, English, Walnut, Folding Shoe Pull, Victorian, Circa 1870

DESCRIPTION

Our Stock # 25423

This is an antique boot jack. An English, walnut folding shoe pull, dating to the Victorian period, circa 1870. A fine example of enduring Victorian utility, with rich walnut hues and practical folding form.

- Charming example of Victorian era craftsmanship, ideal for the period hallway or boot room
- Crafted from select walnut stocks, displaying warm caramel tones and a lightly timeworn patina
- Tactile turned handle provides a comfortable and secure grip when removing footwear
- Fold-out boot platform with oval loop aperture for effective heel grip
- Neatly folds away for portable use or tidy storage
- Useful and decorative — a superb collector's piece or practical accessory for country living
- Displays well alongside other antique fireside or hallway accessories
