

Large Vintage WWII Telescope, English, Brass, Military Broad Arrow, Ottway & Co

DESCRIPTION

Our Stock # 25443

This is a large vintage WWII telescope, an English brass terrestrial instrument by Ottway & Co of London, dated 1945 and marked with the military broad arrow.

Perfect for bird watching, landscape appreciation, wildlife, or maritime observation. Equally suitable for observing the night sky.

- A striking and substantial example of British wartime optical engineering
- Crafted in brass, displaying bright golden tones throughout the draw tube and sun shade
- Single draw tube design with smooth motion and pleasing tactile presence
- Main barrel dressed in a later textured outer cover, adding visual distinction and grip

- Engraved with 'Ottway & Co - London - 1945' to the main draw
- Clearly marked with the military broad arrow and original serial number
- Supplied with a London Fine oak and brass 'Captain's Stand' for display
- Ideal for collectors of WWII memorabilia, military optics, or vintage exploration tools
