

Antique Hallway Side Table, English, Portico, Writing Desk, Regency, Circa 1820

DESCRIPTION

Our Stock # 25554

This is an antique hallway side table. An English, flame mahogany portico table or writing desk, dating to the Regency period, circa 1820.

<li class="p1">Beautifully crafted Regency period side table, versatile throughout the home

<li class="p1">Select flame mahogany presents superb figuring, with caramel hues and fine grain interest

<li class="p1">Striking table top enhances the tactile form, with exceptional figuring throughout

<li class="p1">Apron fascia hosts a wide single drawer, with a decorative lower edge serving as a discrete pull

<li class="p1">Elevated by pairs of turned and collared supports, adding grace and structural strength

<li class="p1">Distinctive trestle legs united with a tapered stretcher rail, contributing to the elegant portico silhouette

<li class="p1">Standing upon a quartet of smooth-running brass castors for effortless repositioning

<li class="p1">A desirable example for the refined hallway, living room or study as a writing desk or side table
