

Antique, 2 Vols, HG Wells, The Outline Of History, Reference Book, Circa 1920

DESCRIPTION

Our Stock # 25271

This is a set of two antique volumes of The Outline of History by H.G. Wells, an iconic early 20th century reference work chronicling the development of life and civilisation. Dating to circa 1920, these substantial books are bound and richly illustrated, presenting events from the earliest beginnings of life on Earth through to the aftermath of the First World War. Originally published as 24 weekly volumes, this collected edition remains in good, original order with light age markings and minor spine separation commensurate with age.

- Antique 2-volume edition of H.G. Wells' The Outline of History, a landmark reference work
- Published circa 1920, capturing early 20th century scholarship and historical perspective
- Comprehensive narrative tracing the evolution of life, civilisation, and world events up to WWI
- Set in two compilations across 384 and 396 pages respectively

- Originally released in 24 weekly volumes, here bound into two substantial books
- Profusely illustrated with colour and monochrome plates, maps, and diagrams
- Bound in cloth on board covers with gilt titling, presenting light wear
