

## Antique Boulangerie Display Basket, French Cedar, Shop Produce Stand, Victorian

### DESCRIPTION

Our Stock # 24232

This is an antique boulangerie display basket. A French, cedar and brass produce merchandising dish or stand, dating to the late Victorian period, circa 1900. A charming piece of retail history, equally suited to decorative home use.

- Quality cedar stocks with appealing grain interest and fine figuring
- Distinctive, wide rim crowns the gently tapering oval form
- Warm caramel and deep biscuit hues accented with brass fittings
- Generously sized, ideal for bread, pastries, or fresh produce displays
- Perfect for a country kitchen tabletop or small retail space presentation

This Victorian French boulangerie display basket offers timeless charm and authentic character, making it a wonderful addition to both retail interiors and domestic decorative settings. Delivered ready for the home or institution.
