

Vintage Planter Jug, Italian, Terracotta, Ornamental Garden Flower Pot, Patio

DESCRIPTION

Our Stock # 25374

This is a vintage planter jug. An Italian, terracotta patio or ornamental garden flower pot, dating to the mid 20th century, circa 1960. Delightfully traditional, with classic Roman-inspired form and warm, patinated colour.

<li class="p1">Crafted in traditional Roman ewer form, with an elegant curved handle and spout

<li class="p1">Superb amber terracotta hues with a lightly aged, naturally weathered surface

<li class="p1">Classic Mediterranean aesthetic, ideal for patios, verandas, or courtyard settings

<li class="p1">Suitable for displaying vibrant flowers or ornamental planting

<li class="p1">Robust and tactile with the durability expected of quality terracotta

This Italian vintage garden planter jug offers both decorative appeal and practical charm, making it a superb addition to an ornamental garden, veranda, or patio arrangement. Delivered ready for display.
