

Antique Fire Basket, English, Cast Iron, Hearth, Georgian Revival, Victorian

**DESCRIPTION**

Our Stock # 25517

This is a delightful antique fire basket. An English, cast iron, steel and brass self-contained hearth in Georgian revival taste, dating to the late Victorian period, circa 1900. A fine example of period craftsmanship, it presents a balanced form, elegant detailing, and appealing material contrast, ideal for the traditional fireside.

- A charming piece in useful proportion, the fire basket displays a deep cast iron body, enriched with steel and brass embellishments
- The small pediment is adorned with a relief cast frieze, featuring foliate and scroll motif
- Presented in the Georgian manner, lending subtle decorative interest to the design.
- A pair of brass finials stand proudly above the grate, offering a warm golden hue
- The steel bars to the fascia display a pleasing natural patina, the product of careful age and gentle use
- Accentuated with a brass apron across the lower edge, offering a final flourish of period refinement.
- Standing confidently upon a pair of splayed feet, completing the elegant Georgian revival silhouette and ensuring excellent stability

• The proportions and detailing of this example make it suitable ...
