

Antique St Christopher & Nevis Map, English, Caribbean Cartography, Georgian

DESCRIPTION

Our Stock # 25627
This is a superb antique map of St Christopher and Nevis. An English, framed Caribbean island cartography engraving, dating to the Georgian period and later, circa 1780. A fascinating depiction of these twin islands, rich in colonial and naval history.

- Excellent Georgian cartography showcasing the islands of St Christopher (St Kitts) and Nevis in remarkable detail
- Based on the work of a naval officer, with annotated positions of British and French fleets around the islands
- Printed in London from the original engraving by John I. Fielding, in conjunction with other London print houses
- Pink and blue hand-coloured detail accentuates coastal and territorial divisions, adding superb visual appeal
- Presented behind clear glass within a later antique frame, in good order throughout
- Dressed to the rear with hanging braid for ease of display in the home, study or office
- Displays a captivating level of period detail, charting harbours, settlements, and topographical features
