

Antique Coal Shaker, English, Copper, Fireside Hod, Scuttle, Victorian, C.1870

DESCRIPTION

Our Stock # 18.9680

This is an appealing antique coal shaker. An English, copper fireside hod dating to the Victorian period, circa 1870. Offering fine patination and period character, this charming piece would make a superb addition to the traditional fireplace or country home interior.

- Attractive Victorian coal hod, displaying a wonderfully time-worn appearance
- Delightful handcrafted appeal, showcasing 19th century fireside craftsmanship
- Presents a rich, inviting patina, commensurate with age and careful use
- Crafted in quality copper, presenting warm amber hues and subtle verdigris tones
- Tapering form with a rolled rim and wider base for stability
- Dressed with a pair of handles for ease of carriage and pouring
- Ideal for practical use beside the hearth or as a decorative period accent
- Suitable for coal, or smaller logs and kindling

This is a charming antique coal shaker, with classic Victorian character and versatile fireside appeal. Delivered ready for the home.
