

Vintage County Map, Middlesex, English, Framed 16th Century Print, John Norden

DESCRIPTION

Our Stock # 25578

This is a vintage county map of Middlesex. An English, framed reproduction of the 16th century original by John Norden, dating to the late 20th century, circa 1980. A fascinating recreation of the historic 1595 engraving, capturing the Elizabethan-era geography of Middlesex and London in fine detail.

- Delightful overview of the county and annotated with a wealth of historical interest
- Displays period spellings, including Middle-sex and St Paules, offering rich historic interest
- Features a detailed excerpt of the City of London, as it appeared in the late 16th century
- Charming vignettes depict the contemporaneous façades of St Paul's and St Peter's Church respectively
- Presented within a quality later frame, behind clear protective glass
- Dressed to the rear with mounting wire, ready to hang and enjoy

This is a captivating vintage reproduction of John Norden's Middlesex map, offering rich cartographic character and superb decorative appeal. Delivered ready to display.
