

Pair of Vintage Square Planters, English, Terracotta, Patio Topiary Jardinieres

DESCRIPTION

Our Stock # 25587

This is a pair of vintage square planters. An English, terracotta topiary jardiniere set, dating to the late 20th century, circa 1970. A charming duo, perfect for box topiary, herbs, or colourful floral displays, offering natural warmth and character.

- Delightful pair of terracotta planters, ideal for patio, veranda, or garden presentation
- Gently weathered appearance enhances their authentic, vintage charm
- Crafted in quality terracotta, displaying warm, natural tones throughout
- Of square form with a broad, rolled rim for classic proportion and stability
- Each side hosts vestigial handles evocative of a scallop shell motif, adding visual appeal
- Substantial in weight, offering reassuring sturdiness for outdoor use
- In good vintage order, showing minor age-related weathering consistent with use

This is a fine pair of vintage terracotta planters, offering timeless English garden elegance and inviting decorative appeal. Delivered ready for outdoor display.
