

Small Antique Display Dome, English, Glass, Specimen Showcase, Edwardian, C.1910

DESCRIPTION

Our Stock # 25785

This is a small antique display dome. An English, glass and oak ornament or taxidermy specimen showcase, dating to the Edwardian period, circa 1910. A charming example, ideal for presenting smaller curios, keepsakes or natural history pieces within a clear, protective display.

- Quality glass dome, offering a clear and bright appearance for unobstructed viewing
- Ideal for miniature ornaments, jewellery or taxidermy specimens, creating an elegant showcase
- Internal height of 6.5" (16.5cm) with a diameter of 3.75" (9.5cm)
- Circular oak base presents rich caramel hues and fine grain interest
- Emerald green baize cushion interior, adding contrast and enhancing displayed items
- Displays a desirable aged patina, with good antique order throughout

This is a delightful small Edwardian display dome, perfect for presenting treasured curios or natural history exhibits. Clear and bright, delivered ready for placement and enjoyment.
