

Antique Fireside Store, English, Hearthside Coal Bin, Log Basket, Late Victorian

DESCRIPTION

Our Stock # 25709

This is an antique fireside store. An English, mahogany and brass banded coal or log bin, dating to the late Victorian period, circa 1890. Attractive and practical, it offers excellent colour, form and traditional fireplace charm.

- Country house fireplace form, beautifully proportioned for coal, logs or kindling
- Mahogany stocks presenting fine grain interest and warm caramel hues
- Brass bound edging provides eye-catching contrast and reinforces the sturdy build
- Removable cast iron liner, ideal for ease of emptying and cleaning
- Stands upon a quartet of short stile feet, granting stability and presence

A delightful late Victorian fireside bin, both functional and decoratively appealing, ready to grace any hearth with period warmth and character. Solid joints and construction, delivered ready for the home.
