

Antique Coal Scuttle, English, Copper, Fireside Basket, Art Nouveau, Victorian

**DESCRIPTION**

Our Stock # 25662

This is an antique coal scuttle. An English, copper and wrought iron fireside fuel basket in Art Nouveau taste, dating to the late Victorian period, circa 1900. A delightfully decorative example, ideal for complementing the most elegant of fireplaces.

- Beautifully hooded form offering appealing proportion and decorative interest
- Quality copper displays gently patinated amber hues consistent with age
- Striking wrought iron handle with a fascinating spiral twist motif
- Handle articulates from a pair of distinctive scallop shell mounts
- The whole stands upon a tapered circular foot, enhancing stability and presence
- Suitable for all fuel types, including coal, kindling and logs
- A superb accent piece for fireside storage with period charm and style

A wonderful late Victorian coal scuttle, replete with Art Nouveau overtones and excellent craftsmanship. Delivered ready to display.
