

Antique Fireplace Coal Scuttle, English Copper, Basket, Art Nouveau, Victorian

DESCRIPTION

Our Stock # 25727

This is an antique fireplace coal scuttle. An English, copper fire basket in Art Nouveau taste, dating to the late Victorian period, circa 1900. A charmingly decorative example with an elegant hooded profile and warm copper tones.

- Attractive hooded form displaying classic Art Nouveau overtones
- Gently aged copper with warm amber hues and appealing natural patina
- Rolled, tactile carry handle articulates smoothly within a pair of shaped hinges
- Hood adorned with relief foliate decoration, incorporating flowerheads and scroll motif

- Support handle to the rear assists when tipping or repositioning the scuttle
- The scuttle standing upon a gently tiered circular foot
- Tapering body offers ample capacity for coal, kindling or other fuel types
- A wonderful fireside accent for the period fireplace or country house hearth

A fine late Victorian coal scuttle with delightful decorative presence. Delivered ready to place and enjoy.
