

## Large Vintage Alarm Gong, Oriental, Hardwood Chime Stand, Brass, Art Deco, 1930

### DESCRIPTION

Our Stock # 25798

This is a large vintage alarm gong. An Oriental, carved hardwood stand with German brass gong, dating to the Art Deco period, circa 1930.

- Fascinating dragon carved frame with earlier ordnance gong
- Profuse relief carving accentuates the stout hardwood with deep caramel hues
- Presents a pair of highly detailed dragons, united with a human mask to the centre
- The dragon body skilfully forms the upright supports with great effect
- Gong suspended beneath the frame upon a short brass chain
- Replete with a cork striker, set upon a turned handle
- Gong formed from a late 19th century German shell casing
- Engraved with the maker's mark of Patronenfabrik Karlsruhe
