

Antique Jamaica Map, English, Caribbean, Cartography, Thomas Jefferys, Georgian

DESCRIPTION

Our Stock # 25817

This is an antique Jamaica map. An English, framed Caribbean island engraving by Thomas Jefferys, dating to the 18th century and later, dated 1794.

- Excellent Georgian period cartography of the famous island
- Displaying a desirable aged patina and in good original order
- Fascinating map, appealingly set within a later glazed frame
- Improved and engraved by Jefferys, geographer to George III
- Hand coloured palette accentuates the map with regional borders
- Harbour maps of Bluefields, Kingston and Port Royal add further local interest
- Distance scale is given in Statue Miles and Sea Leagues respectively
- Dressed to the rear with hanging wire for ease of mounting

This is a quality antique Jamaica map, with fine cartographic interest and a quality engraving of Speed's work. Delivered ready to display.
