

Pair of Prehistoric Large Volume Bookends, Petrified Wood, Book Rest, Geological

DESCRIPTION

Our Stock # 25783

This is a pair of prehistoric large volume book ends. An African, petrified wood book rest, dating to thousands of years back and repurposed in the late 20th century.

- Fascinating specimens with a superb geological interest
- Displaying a desirable aged patina, time-worn commensurate with great age
- Superb colour to the strata with orange and grey tones
- Such colours influenced by the presence of iron oxides and carbon
- Of fine proportion, useful for holding large volumes securely
- Dressed with leather protective coverings to two sides, allowing dual orientation
- Great weight in the hand at 6.65kg and 6.385kg respectively (14.66 lb, 14.07 lb)
- Subsequently, ideal for use as paperweights upon a broad desk

This is a superb pair of prehistoric book ends, of excellent weight and size. A treat for collectors of geological interest. Delivered ready to display.
