

Late Vintage Tripod Globe, American, Steel, Topographical Gores, Classic Taste

DESCRIPTION

Our Stock # 25682

This is a late vintage tripod globe. An American, steel framed globe with topographical gores, dating to the early 21st century with classical taste.

- Appealing display globe with traditional cartographic appeal for period settings
- Fine proportion with a 15" diameter to the globe itself
- Displays a desirable aged patina and in good order throughout
- Suspended upon a steel tripod frame with articulated full meridian
- Rotating smoothly upon its axis to observe the fascinating detail

• Classical antique taste to the gores, further enhances with topographical detail for mountain ranges

- Countries defined by a full colour palette, the equator marked in a dark golden hue
- Annotated with the International date line, decorative compass and historic voyage routes

- Stands upon a trio of splayed steel legs, ideal for central room placement
