

## Antique Map of Asia, French, Framed, Atlas, Continental Cartography, Georgian

### DESCRIPTION

Our Stock # 25853

This is an antique map of Asia. A French, framed atlas representation of the continent, dating to the late 18th century, circa 1800.

A fine framed excerpt, originally published in the *Atlas Moderne ou Collection de Cartes sur Toutes les Parties du Globe Terrestre*, circa 1780. Compiled and engraved by Jean Denis Javier and Jean Lattré respectively.

- Fascinating cartographic interest of the Asian continent in the 18th century
- Displays a desirable aged patina and in good order
- Set within a quality later frame, with fine grain interest and clear, bright glass
- Dressed to the rear with hanging wire for ease of mounting

- Represents an Asia-centric projection of the continent in full colour
- Extends from European Russia to the Oceanic islands
- Compiled with islands and territories only tentatively explored in period
- Accentuated with an attractive decorative title to the lower left
