

Antique Framed Gloucestershire Map, English Atlas Engraving, Cartography, C.1700

DESCRIPTION

Our Stock # 25924

This is an antique framed map of Gloucestershire. An English, atlas engraving of cartographic interest By Robert Morden, dating to the late 17th century and later.

- Superb atlas lithography of Gloucestershire and its county detail as it stood circa 1700

- Displays a desirable aged patina, with a lightly aged finish throughout
- Fascinating cartography, appealingly set within a later gilt and ebonised frame
- Hand-coloured presentation, and rich in town, village and administrative detail

- Charming, period naming for the county of Gloucester Shire and locations within the county

- Mapped by Robert Morden (1650 - 1703) in high detail and sold by Abel Swale & John Churchill

- Scale of Great, Middle and Small miles - a fascinating system devised before the standardised mile

- Dressed to the rear with hanging wire for ease of mounting
