

Antique Reference Book The Plumber and Sanitary Houses, English, Victorian, 1877

DESCRIPTION

Our Stock # 25977

This is an antique copy of The Plumber and Sanitary Houses by S. Stevens Hellyer, published in the Victorian period, this edition in 1877.

A fascinating late 19th century volume of architectural and practical interest across 431 pages, reflecting the Victorian era's growing focus upon sanitation, plumbing practice and domestic health.

- Antique reference book, of strong interest to collectors of architectural and engineering literature
- Noted work discussing plumbing systems and sanitary design in domestic architecture
- Displays a desirable aged patina commensurate with its late 19th century origin
- Pages intact, with minimal coloration and edge frays to be expected from careful use
- Bound in traditional cloth boards with period gilt titling to the cover
- Interior pages present clear text and illustrative material
- Insightful guide to plumbing practice, sanitary engineering and house construction
- Presents multiple fascinating fold out, with diagrams, plans and cross sections
