

Large Antique Victorian Display Dome, English, Glass, Taxidermy Showcase, C.1880

DESCRIPTION

Our Stock # 26007

This is a large antique display dome. An English, tall glass taxidermy specimen showcase, dating to the Victorian period, circa 1880.

- Lovely Victorian example, ideal for the taxidermist or collector
- Displaying a desirable aged patina throughout
- Tall and wide dome with quality, clear glass offering a bright display
- Interior cushion finished in black suede leather
- Wide circular base with gently rolled edge and a trio of bun feet
- Each foot dressed with green protective baize for considerate placement

This is a quality antique display dome, graced with fine proportion and bright glass. Delivered ready for the home or institution.
