

Vintage Scarlet Ibis Picture, English, Framed Print, JJ Audubon, Wildlife Art

DESCRIPTION

Our Stock # 25991

This is a large vintage Scarlet Ibis picture. An English, framed print engraving of wildlife interest originally by JJ. Audubon (1785 - 1851), dating to the mid 20th century, circa 1960.

- Striking early-19th century reproduction print with a quality study of the species
- Displays a desirable aged patina and in good order throughout
- Presented within a deep box frame, ebonised in finish and glazed for dust protection
 - Originally illustrated by French-American ornithologist and artist John James Audubon

- Fine print quality with superb colour and definition to the picture
- Shows the Scarlet Ibis as male and female, giving notice of the visual differences
- Name given in English and the Latin classification
- Dressed to the rear with hanging wire for ease of mounting

This is a delightful vintage Scarlet Ibis picture, blessed with quality printing and superb colour. A treat for the ornithologist or those with 19th century wildlife art interest.
