

Pair of Vintage Figural Bookends, English, Nude Figure, Art Deco Revival, C.1960

**DESCRIPTION**

Our Stock # 25955

This is a pair of vintage figural bookends. An English composite nude figure in Art Deco revival taste, dating to the mid 20th century, circa 1960. A stylish decorative duo, capturing the elegance of the female form with strong Art Deco influence.

- Delightful Art Deco inspired form with strong visual appeal
- Displaying a desirable, lightly aged patina throughout
- Lithe and natural presentation of the female nude form
- Figures posed with graceful poise and proportion
- Crafted in composite with a cream coloured, tactile finish
- Smooth surface enhancing the sculptural detail
- Each figure set against a striking Art Deco fan motif
- Bold geometric backdrop contrasts with the organic form
- A pleasing blend of classical subject and Art Deco aesthetic
