

5 piece Vintage Tea Service, American, Coffee & Teapot, Creamer, Mid Century

DESCRIPTION

Our Stock # 25885

This is a vintage five piece tea service. An American, silver plated coffee and teapot set, dating to the mid 20th century, circa 1950. A charming and decorative service, displaying Baroque taste with bright silver tones and ornate engraved detail.

- A refined addition to the tea or coffee table presenting bright, reflective tones
- Displays a desirable aged patina with minimal tarnishing
- Comprises a coffee jug and teapot, with matching sugar dish and creamer
- Elegant Baroque revival styling throughout the set
- Quality craftsmanship with pleasing weight and balance
- Cohesive design across the full service with fine detailing across handles, spouts and lids
- Maker's mark and pattern number for Waverley by Wallace to each piece
- Presented upon a generous Viners serving tray of similar vintage
- Tray adorned with profusely engraved floral scroll decoration
