

Pair of Small Vintage Renaissance Revival Bookends, Italian, Novel Rest, C.1960

DESCRIPTION

Our Stock # 25880

This is a pair of small vintage Renaissance revival bookends. An Italian, giltwood decorative book rest, dating to the mid 20th century, circa 1960.

- Charming religious icon book rests, ideal for smaller titles
- Displaying a desirable aged patina, gently time-worn throughout
- Crafted in the Renaissance manner, for classic Italianate taste
- Giltwood presents golden accent tones
- Finished with maroon coloured borders surrounding a deep blue ground
- Adorned with devotional scenes depicting the Madonna with the infant Jesus
- Foliate patterns accentuate the shaped rest ends
- Dressed to the base with protective suede leather cushion pads

This is an eye-catching pair of small vintage bookends, with gilt tonality and petite form. The Renaissance influence to the religious end scenes are delightfully Italianate. Delivered ready for the home or office.
