

Pair of Vintage Side Chairs, Scottish, Teak, Elbow Seat, Beithcraft, Mid Century

**DESCRIPTION**

Our Stock # 26026

This is a pair of vintage side chairs. A Scottish, teak elbow seat with Scandinavian influence, dating to the mid 20th century, circa 1965.

- Superb mid century seating, with a wonderful form and tactile woollen upholstery
- Displaying a desirable aged patina and in good order throughout
- Teak stocks present fine grain interest and deep caramel tones
- Drop in cushions professionally reupholstered in quality wool
- Distinctive back rest with a bowed crest rail and demi-lune opening
- Gently bowed arms terminate with oblique knuckles on canted supports
- Saddle form to the cushion, set at a comfortable height of 44cm (17.25")
- Ivy green wool upholstery offers an elegant, tactile contrast to the frame
- Fascinating legs, united front to back on each side and standing on circular feet
