

## Antique Fire Basket, English, Cast Iron, Fireplace Grate, Edwardian, Circa 1905

### DESCRIPTION

Our Stock # 25981

This is an antique fire basket. An English, cast iron fireplace grate dating to the Edwardian period, circa 1905. A charming, self-contained fireside piece with appealing form and excellent utility.

- Cast iron construction with a lightly weathered, original patina for authentic period character
- Attractive bulb form, adding visual interest to the fireplace
- Each tooth accentuated with leaf detail, enhancing the decorative appeal
- Removable grate section for practical ease of cleaning and maintenance
- Standing upon a delightful quartet of squat cabriole legs with decorative toes
- Basket suitable for all fuel types, including coal, logs and kindling

This is a superb Edwardian cast iron fire basket, offering both decorative charm and functionality for the traditional hearth. Delivered ready for use.
