

## Antique Dragon Motif Fireplace Set, English, Fire Basket, Andirons, Edwardian

### DESCRIPTION

Our Stock # 25933

This is an antique Dragon motif fireplace set. An English, estate-made cast and wrought iron fire basket and andirons ensemble, dating to the Edwardian period, circa 1910. A striking and robust hearth set, rich in character with distinctive dragon detailing and traditional craftsmanship.

- Estate-made cast and wrought iron construction, well suited to regular fireside use
- Displays a desirable aged patina with gently time-worn appearance
- Generously sized cast iron fire basket with a bold hound tooth border
- Fascinating wrought iron fire dogs with naïve dragon mask detail

- The wide, bow form basket provides a well sized grate
- Crafted for durability and long-lasting performance
- Classic proportions with appealing period presence
- Suitable for all fuel types including coal, kindling and logs

- Dragon masks with serpentine form, the reverse adorned with spiral tail motifs
