

Antique Adjustable Fire Curb, English Hearth Fender, Great Exhibition, Victorian

DESCRIPTION

Our Stock # 25881

This is an antique adjustable fire curb. An English, ornate brass hearth fender in Great Exhibition taste, dating to the early Victorian period, circa 1850.

- Presents a wondrous level of ornamentation to enhance a grand fireplace
- Displays a desirable aged patina and in good antique order throughout
- Polished brass presents excellent golden tonality with minimal tarnishing
- Set in three pieces, with the outer urns adjusting to extend or narrow the width
- Usefully extends to any width from 97cm (38.25") 146cm (57.5") to suit most hearth sizes

- Excellent urns host raised pendants, with foliate finials and drop pediment
- Profuse level of motif and detail, with sash garlands, flowerheads and fruits
- Central support rail adorned with pierced fretwork and scroll patterns
- Guides to the reverse of the urns slide smoothly along the central rail
