

## Pair of Antique Firedogs, English, Estate Made Wrought Iron, Andirons, Victorian

### DESCRIPTION

Our Stock # 26002

This is a long pair of antique firedogs. An English, estate made wrought iron fireplace andiron, dating to the Victorian period, circa 1880.

- Pleasingly traditional accompaniments to the fireplace
- Displaying a desirable aged patina and in good order
- Presented with a good, consistent graphite finish throughout
- Scrolled tops ideal for resting a toasting iron in front of the grate
- Generous rear support useful for hosting medium sized baskets
- Standing upon a pair of dashing splayed front legs with scrolled toes

This is a charming pair of antique firedogs, with a tasteful Victorian aesthetic. Delivered ready for the fireplace.
