

Pair of Antique Figural Fireplace Chenets, French, Great Exhibition, Victorian

DESCRIPTION

Our Stock # 18.9379

This is a pair of antique figural fireplace chenets. A French, cast iron fire wood hearth rest, dating to the Great Exhibition period, circa 1850.

- Fascinating Sphinx-inspired form, with a provincial French twist
- Displaying a desirable aged patina and in good order
- Cast iron presenting a good, consistent graphite finish
- Superb figural mounts with fine detail, in the manner of Alsatian nuns
- Rear log support in triangular form, for elevating fire wood over the hearth

This is a striking pair of antique fireplace chenets, the quality figural elements redolent of expressive craftsmanship during the time of the Great Exhibition. Delivered ready for the home.
